MARBURG
Die Universitätsstadt

- Long Route - 4,5 kilometer
- Abbreviation - 3 kilometer

The route winds through downtown Marburg and along the Lahn River and is about four kilometers long. There is a shortcut available. Feel free to bring your own snacks and drinks for a quick pick-me-up along the way. A group break is also planned. After the hike, we'll stop together at the Ufercafé. There, you can enjoy a delicious soup at a reasonable price to recharge.

WHY PARTICIPATE?

Raise awareness about breast cancer prevention.

Support local healthcare initiatives.

Promote an active lifestyle and well-being.
